

# Saint Edward's & Saint Paul's

## March Food Share Campaign It's Food Share Month from

**Monday, Feb. 25 – Sunday April 7<sup>th</sup>!**

We are once again asking congregations in our area to join us in the effort to support our local food shelf and help provide struggling individuals with the most basic human need – food.

In 2018, we helped 545 local seniors and adults, and 406 children (unduplicated numbers) that suffer from hunger and food insecurity – many who must choose from paying rent, buying gas, or buying food. Your contributions – no matter how small – help us to wage the war against hunger. People are struggling and your compassion and generosity will help us meet this basic need.

Last year it cost us over \$67,000 for food. The vast majority of our monies come to us in the March Campaign. **Remember – 100% of your donation is spent for food!** ALL overhead costs are covered by proceeds from Tossed & Found Boutique. Please send donations to Longville Area Food Shelf, Inc.

@ PO Box 308, Longville, MN. 56655

On behalf of the many hungry kids, seniors and families that you will help, THANK YOU!

*Toni Sausman, Manager*

*The Women's Council of Saint Edward's and Saint Paul's Ladies Council will be supporting the Local Food Shelves by collecting food items and monetary donations.*

## Clean Heart Sunday

*Equipping the Family, Safeguarding Children*

Clean Heart Sunday is celebrating its first year of raising awareness throughout dioceses and parishes in the United States regarding the negative impacts of pornography on individuals, marriages, families and society. Clean Heart Sunday is a weekend in Minnesota, March 2<sup>nd</sup> and 3<sup>rd</sup>, set aside by dioceses and parishes to directly address the harms of pornography in an appropriate way. Within the context of the Mass, dioceses and parishes are able to provide teaching and resources that will support and protect individuals, marriages and families in making all homes a safe environment. It is inspired by the United States Conference of Catholic Bishops' formal statement *Create in Me a Clean Heart: A Pastoral Response to Pornography*, where they explain, "The use of pornography by anyone in the home deprives the home of its role as a safe place and has negative effects throughout a family's life and across generations."
