Holy Father's Monthly Intention - June

Dear God, during the month of June, we lift us all priests; may they, through the modesty, and humility of their lives, commit themselves actively to a solidarity with those who are the most poor.

DEACON'S CORNER

Our 2nd Evangelization Retreat was held May 17-19th in St. Edward's parish. The retreat culminated in two years of planning and prayer. It was the first one we as parishes, had the responsibility of running.

This year's theme was based upon 1Peter 1:13. "...set your **hope** fully upon the grace that is coming to you at the revelation of Jesus Christ." In a culture that values autonomy and self-reliance, we often turn to relying on our own personal strengths and abilities to shoulder the burdens of those we care for or to face the difficulties and challenges in our lives. Hope is a virtue that elicits trust in God to provide what is needed. This retreat was a great example of this truth. As one author has written: "The proof lies in the empty cross."

There were 14 participating parishes in the weekend. Members from both of our parishes worked together in making the 44 retreatants feel welcomed and at home. Church windows were cleaned, meals provided and served, homes opened up to provide housing for our visitors. One visiting retreatant called me three days after the retreat to tell me how they were so impressed with our hospitality and the powerful experience of the retreat and asked if we could help them get a retreat going in their parish.

The retreat provides various opportunities to encounter Jesus, deepen our relationship with the Holy Spirit, renew our commitments to the sacraments of initiation, be prayed with, and to receive healing. It is an incredible means of personally renewing our faith and fortifying our resolve to be intentional disciples of Jesus. God's grace was evident as retreatants were transformed over the weekend and left refreshed and excited about living their faith.

On behalf of the Core Team, we would like to thank our parishes for their prayers and support in so many ways. We made such an impression of love and generosity on those attending. We are the little spark that has started a fire burning in our diocese. Other parishes are looking to us to help them get something like this going for them. Thank you one and all for a very successful parish effort at making the 2019 Evangelization Retreat a huge success.
