“To what shall we compare the kingdom of God, or what parable can we use for it? It is like a mustard seed that, when it is sown in the ground, is the smallest of all the seeds on the earth. But once it is sown, it springs up and becomes the largest of plants.”- Mk 4:30-32b

## GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

**June 13, 2021 Eleventh Sunday in Ordinary Time**

A favorite motto of St. Teresa of Calcutta was, "do small things with great love." This is how it works in the kingdom of God. God can do tremendous things with the smallest gesture, especially when it is done in love. We can clearly see that our world is suffering greatly. People are struggling to find peace, navigate through conflicts, earn a sustainable living, find security and enough food to eat, and work through political tensions and conflicts. In the light of the magnitude of the difficulties that exist around us and even within us, we can find ourselves floundering to discover practical, effective solutions. How can something so large be helped by someone as small and seemingly insignificant as me? While whole systems and structures may be out of the league of our personal influence, are we really that helpless in the midst of all of the turmoil, sadness, and suffering?

If we believe that God is with us and that God is still working to bring about the glory of God's kingdom, then the answer is no. We are never helpless or without hope. Armed with a strong life of prayer, we can always flee to God and ask for inspiration, wisdom, and especially love. We are all blessed with unique gifts and talents and it often seems that considering all that the world lacks, love and charity remain at the top of the list. Life can easily become a battleground of hostility. Because life is challenging and difficult, anger is not far away. We see it on people's faces and hear it in their voices. There is a measure of frustration that permeates all avenues of life. It is even felt in the air.

As people of faith, we know that what we see here is not the end but only a part of something far greater to come. We know that God's kingdom is where we are ultimately meant to be, and the Gospel is the way to get there. If love and charity can prevail in us, then God will be able to do what God does best. God will use us to scatter the seeds of his kingdom. Through our small gestures, those seeds can receive the nurturing attention that is necessary for them to bear great fruit. We cannot fall victim to the strife that is around us. We have to keep ourselves refreshed and focused so that even in small ways, we can become part of the solution, not the problem. Love and charity, which come from God, can help to heal the ills of the world. May we bring these simple gifts to the everyday simple tasks of our lives! Watch how big the plant grows!

**St. Anthony Can Find Anything — Even You**

“Tony, Tony, come around! Something is lost and it must be found.”

Did you learn this one when you were a kid? In my experience there are even a lot of lapsed Catholics — or people who were never Catholic at all — who know that when you lose something, St. Anthony becomes your best friend. Missing keys? Pray to St. Anthony. Can't find your favorite sweater? St. Anthony. Forget where you parked your car in the mall lot? St. Anth— okay, you get the idea. Whatever it is, large or small, important or trivial, Tony has a reputation for finding the lost things.

It's a devotion that can seem a little like superstition — witchcraft, even? — if you don't really understand it. Mumble an incantation to a dead guy and you're guaranteed to find your sunglasses. But as with most traditions that are old, beloved and effective, looking a little closer reveals the truth of the matter.

When we lose something really important, what do we do? We make the whole household stop what they're doing to join the search. Having St. Anthony as a friend means you ask him to stop what he's doing to help, too. And how he helps is by taking the matter exactly where all matters need to go — straight to the feet of Christ.

Here's the real genius of St Anthony: he takes the most mundane, commonplace occurrence — misplacing socks — into an encounter with the divine and truly all things great and small are gifts from God. He grabs our hand and points to the cross. “That's what you're looking for,” he tells us.

In the end, Tony doesn't really find the lost things. He finds the lost people.

**Saint Vincent de Paul / Saint Rose of Lima Conference**

Longville/Remer

In the Gospel, Jesus says: “This is how it is with the reign of God. A man scatters seed on the ground. He goes to bed and gets up day after day. Through it all the seed sprouts and grows without his knowing how it happens.”

**Through your almsgiving you are sowing seeds that grow far greater than you know. The coins placed in the St. Vincent de Paul Poor Box bring Christ love and compassion to the poor.**
