Let's Listen @ Saint Paul's

The Diocese of Duluth has announced a new initiative called "Let's Listen" to better understand the spiritual needs of the people of northeastern Minnesota and discern the next step in the church's mission.

Let's Listen coincides with and cooperates with an initiative of Pope Francis, Bishop Felton has emphasized the local importance of the process. A series of small group one-time sessions led by trained facilitators across the diocese will invite people to respond to two main questions:

A 7-minute video is available on the Diocesan website or on YouTube for more information. St Paul's will have a facilitated meeting **April 4, 2022 at 5:30 PM**. There is a sign up sheet in the hall.

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

Mercy makes us attentive to the voice of truth. We do not know what ever happened to the woman caught in adultery, after her encounter with Jesus. It is hoped that she found what she needed to feel true sorrow. What we do know is that through his gentle and wise persuasiveness, Jesus puts the Pharisees in their place and opens the door to grace for this child of God. Being exploited and used to test and discredit Jesus, she who is publicly known to be a sinner is now the victim. Jesus never tolerates people being used and immediately rushes to her defense. As the author of mercy, Jesus became her advocate and opened the door for her to God's love. Jesus also stands between us and the harsh, judgmental, and often hurtful stance of our world. He invites us to grace, to leave the sin that binds us, and for which we are often criticized, and pursue a life of virtue and freedom.
