LIVE THE LITURGY -

INSPIRATION FOR THE WEEK

God calls us in the midst of ordinary things. Often only looking for God in the dramatic, spectacular, the ritual or the sacred places, we miss that He is walking beside us. Every moment of every day, in every circumstance and experience, God is calling to us, "Follow me." Sometimes, we are too distracted to hear this call. Other times, we would rather ignore it or pretend it wasn't heard. God, however, is very persistent. Whether we fine tune our hearing to receive this invitation now or when we close our eyes in death, we need to make a choice. The choice involves leaving some things behind and moving forward, taking risks. Choosing to keep focused and single-minded, the lens we then use to see our world and one another is God's, not our own. Life is no longer about what is important or matters to me but what matters to God. We acquire a new filter and are asked to use that filter to make choices, establish priorities, and determine what direction we will take, and how to love. Once we accept God's invitation, we cannot keep looking back to what was left behind, only forward to the surprises yet to come.

Vicar General and Chancellor

Question:

I have seen the title of Vicar General and Chancellor used in our Catholic newspaper. Who are they and what do they do?

Answer:

A bishop is in charge of a diocese and appoints people to help with its administration. Two of those positions are the Vicar General and the Chancellor. Both play a role in the life of a diocese, despite the many jokes priests may tell at their expense! A chancellor is the archivist of a diocese, charged with task of keeping the records of the diocese. Often a bishop may add other responsibilities and the chancellor may end up being like the executive director of the diocesan office. The chancellor does not need to be a priest.

The vicar general is a priest, appointed by the bishop and acts in the name of the bishop in administering the diocese. He has an advanced degree in canon law or theology. He also has executive authority within the diocese. This means that he is involved in the day-to-day pastoral and temporal administration of the diocese. Canon law does not allow a bishop to appoint a relative to the position, nor the priest in charge of the sacrament of penance. In both cases, the purpose of the law is to avoid conflicts of interest.
