## Seven Sisters Apostolate

*Mission* - The Seven Sisters Apostolate is a call to strengthen the Church by ensuring that a Holy Hour is prayed each day of the week for the sole intention of a specific priest or bishop—Saint Edwards and Saint Paul's is in need of a women for Friday's. We are also still looking for members to be subs. Please contact the Parish office if you are interested.

## Spiritual Communion

*My Jesus, I believe that You are truly present in the Most Blessed Sacrament. I love You above all things. Since I am unable now to receive You sacramentally, come spiritually into my heart and stay with me forever. Amen*

### June 5, 2022 Pentecost Sunday

Even though Pentecost is rightly celebrated in late spring, the robust experience of a New England fall can provide a profound metaphor for reflection. A full expression of fall colors is beautiful to behold. But, with all of its majesty and beauty, the observer knows the experience of death is soon to come. Creation will be dark and barren for a while. Pentecost cannot be separated from the cross. Before God's transformative, life-giving power can bear fruit, we must first die.

Pentecost is all about leaving the lifeless dead wood behind and allowing God, through the power of the Holy Spirit, to create something new. These Pentecost creations happen repeatedly over and over again. The birthing process of the Church is ongoing. God is always bringing life out of death and creating something where there was once nothing. That is why the fall is such an apropos metaphorical season for Pentecost. In order to really receive the gift of the Holy Spirit we have to die to what we once knew and what no longer works.

When fire and wind find their fullest expression, they are in no way gentle nor kind. They have the potential to level anything in their paths. We are experiencing great turmoil in our world, nation, and our Church. Whether the result of circumstance or the work of the Holy Spirit, much of what we knew to be normal and constant is changing. Common systems and institutional structures that may have worked for a time no longer do. When the old and familiar need to be left behind, God creates something new. Change and disorder do not need to be our enemies. They always bring opportunities for something exciting and new. What we need is untiring faith, firm hope, and perfect love.

What we need is for the Holy Spirit to enlighten us to see what is important and what we must do. "O Holy Spirit, descend plentifully into my heart. Enlighten the dark corners of this neglected dwelling and scatter there Thy cheerful beams." (St. Augustine) If we experience joy, even in the midst of turbulence, then we will know we are exactly where God needs us to be. If not, then perhaps there is a lesson in the decaying leaves that graciously descend to the ground on a crisp fall day.

**EVERYDAY STEWARDSHIP -  
RECOGNIZE GOD IN YOUR ORDINARY MOMENTS**

***Do You Speak Stewardship?***

If you are married, I'm guessing that you know the best way to break bad news to your spouse, whether you realize it or not. Maybe it's simply that you know not to talk about the budget after your wife's football team has lost. Maybe you know your husband will take the news that your sister is coming to stay a little easier if you tell him over his favorite dinner. We do the same thing with our children, our friends, our coworkers — we have all learned the language of the people we love.

The truth is the same in every language, but it's important for us to convey that truth graciously. That's what Pentecost teaches us. The gift of being able to speak in tongues afforded the Apostles a practical skill to spread the Gospel message, but it also served as a powerful symbol of the importance of effective communication. Evangelization can only happen when you're speaking in words a person is able, ready, and willing to hear.

Let's ask ourselves: what is the language we need to speak to share the truth with the person who is standing in front of us? Is it the language of quality time? The language of concern? The language of laughter and friendship? The language of authenticity, of plain talk and frankness?

The Holy Spirit gave the Apostles the ability to speak in tongues, and it seems miraculous when we read about it in the Gospels — but only consider that we all have this same ability, in a certain way. The Holy Spirit can and will show us how to speak the truth, if we only ask.
