Father Daniel Nganga

Father Daniel Nganga from Kenya, who has visited us in the past during the summer, is again looking for help with his parish in Kenya. He has moved from Our Lady of Assumption to a different church, Holy Trinity Church in Kitali, in the same Diocese, and has to basically start all over.

We at Saint Edward's and Saint Paul's have been generous with our donations to him. Several years ago we helped stop feuding between two tribes by our simple donation of two generators to pump water from the ground, which then helped them be able to grow their own food. Last year he was able to buy a vehicle with our donations.

This year he has the chance to match our funds with grant money up to \$30,000.00.

We will be having a second collection next weekend July 23-24. Donations need to be received by July 31st to get this extra bonus. ***Please be generous.***

We are in need of **USHERS** to assist with Sunday morning Mass at Saint Edward's. If you can help please see Dale at Mass or call the parish office. Even if you are a seasonal person, your help would be appreciated.

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

We become a welcoming person when we can step aside from our own needs and desires to create space for someone else. Welcoming involves a quality of listening and presence that communicates to another person that what they are sharing and who they are have importance. When we shift attention and focus from ourselves and direct it toward someone else, positive things can happen. When someone knows that their story matters, it can be life changing and life-giving. Hospitality brings forth life and celebrates relationships. Whether we are actively tending to the business of serving the needs of others or opening ourselves to listening to their story, devotion and attentiveness are friends of love. Becoming anxious and preoccupied with one's personal agenda leaves no room for the creative, nurturing and spontaneous power of God's love.
