HALLOWEEN

Question:

Is Halloween a pagan holiday or a Catholic one?

Answer:

The short answer: nowadays, a little bit of both. But it wasn't always that way. Halloween and All Saints' Day are closely connected. In the 800s, the Catholic Church began celebrating All Saints' Day. It was originally called All Hallow's Day or Hallowmas. The celebration began early on All Hallows' Eve. But if Halloween is really about the saints in all their victorious glory, where do we get haunted houses, costumes, and pranks?

All Saints' Day became associated with the other deceased rather quickly. November 2nd is All Souls Day, where we pray for the souls in purgatory. Throughout the European world, especially with the Celtic and Germanic peoples, the dead were honored in the autumn months. The Celtic pagan celebration of Samhain had its own folk rituals and occurred around the same time as these Catholic feast days.

Within the last few hundred years, this included dressing in disguise and going door to door, asking for food in exchange for a rhyme or poem. Some people masqueraded as "dark" spirits and pulled pranks on others. Today's celebration of Halloween tends to take on these later practices, rather than the original meaning of celebrating the saints. But remember ... this feast was Catholic first!

The 4th of Longville's 4 Blood Drives for 2022, sponsored by the Longville Lions, is being held on Thursday, November 3rd at St. Edwards Catholic Church from 11:30 to 5:00. Anyone interested in being a donor please call or text Pat Boen at 218-838-4202. We have a large, very loyal group who come to us each drive, and for that we are very grateful. It has become a "community of givers" over time. We always look forward to meeting new friends. What you do is greatly appreciated. Thank you for your support.

40 DAYS
FOR LIFE™

This year there will again be a white tent symbolizing purity and prayer and life. Charlie's Up North invited the group to its location, and the tent went up Monday.

All who are concerned about the millions of lives that have been taken through abortion and its effect on the people of this nation are invited to come to pray. Resources will also be available with information that can assist in decision-making and in recovery.

This year, Walker will support, in prayer, campaigns in 715 cities in all 50 states and 44 nations, many of them making a visible presence praying in front of abortion facilities and Planned Parenthood clinics. An example of the need for prayer is a vote that will be taken by the House of Representatives to pass the Pain-Capable Unborn Child Protection Act that will make abortion after 20 weeks illegal.

At this time, the United States is one of only seven countries in the world that allows abortion after that point in the pregnancy, a time when it is proven the baby feels pain.

Volunteers are invited to participate by praying in the white tent that will be present from 7 a.m. to 7 p.m. every day. For anyone who wishes to help with specific hours, a book is available in the tent to sign up. To be added to our email hotline, send an email to 40dayswalker@gmail.com. Like us on facebook at 40 Days for Life Walker.

If you would like to help in other ways, email 40dayswalker@gmail.com or call (218) 760-4384. All are welcome to stop in the tent at any time.
