### 2024 Blood Drive

The first of Longville's four Blood Drives for 2024 is Friday, March 22nd. It is sponsored by the Longville Lions and is held at St. Edward's Catholic Church. We have a great reputation for being a superbly generous community with lots of donors, especially considering our size! This time of the year is always extra challenging because many of our regulars are out of town. They have given us an ambitious goal and we would love to meet more new donors. The need is great ! 70 hospitals in the surrounding area depend on your generous donations. If it has been awhile since you have given, please consider coming back into the fold of donors. Or become a new donor! We appreciate every single one of you. Please call or text Pat Boen at 218-838-4202.

### Communion Gifts

Please speak with an usher when you arrive for Mass, if you are interested in bringing forward the gifts of Bread and Wine at Communion time.

St. Margaret Mary Alacoque

St. Margaret Mary Alacoque was a French nun who had visions of Jesus and his Sacred Heart. She devoted her life to promoting Eucharistic adoration and the Feast of the Sacred Heart. Her Thursday night holy hours are still a common practice among modern Catholics!

Biography St. Margaret Mary Alacoque (1647-1690) was born Margaret Alacoque in a village in France. After her father died when she was eight years old, she was sent to a convent school run by the Poor Clares where she became ill with rheumatic fever. For four years she was confined to her bed until she made a vow to Mary, Mother of God, to consecrate herself to religious life. Following this vow, her health was restored. Throughout her childhood and early adulthood, Margaret continued to have religious visions of Jesus. In 1671, at age 24, Margaret entered the Order of the Visitation of Holy Mary and took the name Mary when she professed her vows. During her time in the convent, she had mystical experiences — most notably, her encounters with the Sacred Heart of Jesus. According to her accounts, Jesus appeared to her and revealed his Sacred Heart, burning with love for humanity and instructed her to devote herself to adoration of the Eucharist every Thursday night during a holy hour which she incorporated into her routine. He also instructed her to celebrate a new feast, the Feast of the Sacred Heart of Jesus.

St. Margaret Mary dedicated herself to promoting the feast and adoration of the Eucharist. Her visions and messages were met with skepticism initially, but she trusted God's guidance. In 1688, just two years before she died, the feast of the Sacred Heart of Jesus was celebrated for the first time in the Church's liturgical calendar. Eventually, her holy hour of adoration also became a popular tradition among Catholics worldwide.
